# TIME TO SEE THE WORLD DIFFERENTLY

The time has come to board our newest ship, *Silver Dawn*, as we set sail on a voyage that explores the world off-season, off-tempo, and off the beaten path. We'll turn classic and iconic destinations on their head, as we call at 59 ports in 30 countries and four continents, with 19 new places our world cruises have never sailed to before. We'll see these places through the eyes of locals, as we unveil their authentic stories and secrets. And we'll access places you've never heard of. All for an exclusive look at the world, at sailing, at time itself.

There are moments in history when humans managed feats beyond their time, to create architecture, art and meaning in an entirely new way that even now seems like it was magic. Fortunately, the sculpted monuments of Petra and the incredible structures of Luxor are still here for us to explore today. After a hiatus, we return to Egypt with our world cruise, and then we'll visit Israel after crossing the famed Suez Canal.

## WHERE THE PAST DANCES

The Mediterranean sun rises to reveal medieval treasures, millennial towns, and cities that can each claim to be the cradle of civilisation. Thousands of years of history in places like Istanbul, Nafplion, Siracusa and Naples have made the world what it is today. With brand new destinations like Thessaloniki and Volos, this chapter is a novel way to explore the past and enjoy the present.

### ISTANBUL (TURKEY) / 16-17 March

The thread connecting east and west, Istanbul brings together many waterways, bridges, neighbourhoods, and peoples. A crossroads for millennia, we'll discover how time moves at different speeds on its European side and its Asian side as we experience a Turkish bath and explore the famed Grand Bazaar. We'll have ample time for both, thanks to our overnight in this ancient modern city.

#### VOLOS (GREECE) / 20 March

The quintessential small Greek village, Volos is a brand new Silversea destination and embraces several important archaeological sites. Our gateway to exploring the incredible rock formations of Meteora, we'll also be able to explore Greece's oldest acropolis, Sesklo, a site that dates back to the Neolithic Era and has welcomed people to its lands for close to 10,000 years.

### NAFPLION (GREECE) / 21 March

Before Athens took over in 1834, Nafplion was the first capital of Greece. The many layers of this magical romantic seaside town can be seen in its not one, not two, but three large castles. The oldest, Akronafplia, was built by different peoples over the epochs. A village in its own right until the 13th century, its mystique lives on, as you admire the city below from its vast ramparts above.

FROM NAPLES TO LISBON

## 6 THEMES OF THE MEDITERRANEAN

The Mediterranean is all about taking it slow, with a pleasant tempo that allows us to enjoy its seaside cafés, lively trattorias, and spectacular beaches, just that little bit longer. Enjoy the perfect espresso or cappuccino as you look out at the Gulf of Naples, a first time destination for a Silversea World Cruise, before you take in the breeze coming off the Atlantic Ocean in Cádiz and Lisbon.

### NAPLES (ITALY) / 25-26 March

There's nothing like the fresh scent of a *pizza margherita* just pulled out of a wood- burning oven in the centre of Naples, or an espresso placed in front of you at one of the many cafés lining its iconic and busy streets. Thanks to a precious overnight stay, we'll have all the time we need to explore the city's ancient ruins, royal palaces and castles, most of them within walking distance.

### MÁLAGA (SPAIN) / 29-30 March

A uniquely multi-layered city, the old town of Málaga opens up onto Calle Marqués de Larios' high street boutiques, cuttingedge restaurants, lively tapas bars and bustling outdoor cafés. We'll have a great time exploring the city that gave us Picasso – he was born here – and its magnificent museums, cathedral and seaside promenade.

### CÁDIZ (SPAIN) / 31 March - 1 April

Though Cádiz has all the charm of the Mediterranean, something begins to shift as we approach the city and the coasts of the Atlantic Ocean: the winds, temperatures and character of the land changes before our very eyes. This city's unique architectural heritage features both Roman amphitheatres and neo-classical cathedrals, for a unique look at Spain.

FROM LISBON TO SOUTHAMPTON CHAPTER

## A COASTAL MOTIF

The western coast of the Atlantic Ocean takes Controtempo in a brand new direction, as it welcomes us with a unique range of iconic historical cities like Lisbon and Bordeaux, alongside small hidden gems like Saint-Malo and Saint Peter Port. Nature comes to life as we sail by remote hillsides and through open waters, from where we'll be able to admire the coasts of Europe from a new, and different, perspective.

### LISBON (PORTUGAL) / 2-3 April

Springtime is when Lisbon is at its best, as locals come out to enjoy the tourist off-season, and temperatures during the day are pleasant. The city's seven hills are criss-crossed by cobblestone alleyways and pastel-coloured homes with bright tiles that burst into a million shades at sunset. Small restaurants feature live Fado music and some of the most flavourful dishes in all of Europe.

### BORDEAUX (FRANCE) / 6-8 April

We'll spend three days in Bordeaux to learn the region's secrets, as we take the time to explore the world's largest urban World Heritage Site, home to numerous fine vineyards and vivid examples of the best in French culture and cuisine. We'll enjoy private tastings of the area's famous full-bodied reds and get to know the local wine producers and their stories.

### ST PETER PORT (GUERNSEY) / 11 April

A stunning new world cruise destination, St Peter Port gives us a unique look at the Channel Islands. A rarely visited off-the-beatenpath jewel, it will immerse us in natural landscapes that go on forever – from beaches that never end, to rugged cliffs overlooking breath-taking panoramas stretching as far as the eye can see – along with an unusual history of castles and seaside fortresses.

FROM SOUTHAMPTON TO STOCKHOLM

### 8 RHYTHMS OF THE NORTH

As we sail for the cities on the North and Baltic coasts, we'll explore several architectural and natural wonders. We'll also discover a unique, offbeat culinary tradition enjoyed across Scandinavia — from Stockholm's old town to Copenhagen's canals — the "art of fermentation". We'll explore this fascinating technique in our S.A.L.T. program as you try it hands on and taste the results. Velbekomme!

### ROUEN (FRANCE) / 13-15 April

As you walk the cobblestoned streets of Rouen, you'd be forgiven for thinking you've gone back in time to the Middle Ages. With several stand-out Gothic churches, medieval half-timbered houses in a variety of primary colours, and a skyline dominated by the spires of its Cathédrale Notre-Dame, you can easily see why Impressionist Claude Monet used it as inspiration for many of his paintings.

### COPENHAGEN (DENMARK) / 23-24 April

Several cities in the world are considered the "happiest", but none so often as Copenhagen. The Scandinavian capital with a small-town heart, it features stunning modern architecture alongside centuries-old canals. Renowned for its New Nordic cuisine and Michelinstarred restaurants, its blend of traditional gourmet, fermentation techniques and modern experimentation is second to none.

### TALLINN (ESTONIA) / 27-28 April

At the eastern edge of the Baltic Sea, Tallinn is as off-the-beatenpath as you can get. Multi-coloured rooftops hint at the culturally vibrant and lively city below. A mix of histories lasting over a millennia, the city features a colourful 13th-century Gothic Town Hall in the main square and yet it boasts the highest number of start-ups per person among all European countries. **EXCLUSIVE WORLD CRUISE - OVERLAND PROGRAMME**

### OSLO (NORWAY) / 3-4 May

Oslo vibrates with the excitement of a modern frontier. It's a place where time bounces back and forth between tomorrow and yesterday, as traditional maritime history is celebrated alongside trendy art galleries and neighbourhood cafés where the barista knows your name. ### BERGEN (NORWAY) / 6 May

Sognefjord, Norway's longest fjord, leads you all the way to Bergen, a magnificent city surrounded by mountains, water and more mountains. We'll discover its unique heritage as we explore the beautifully preserved traditional wooden houses of Bryggen, a protected UNESCO World Heritage site that brings you way back to another time.

### TÓRSHAVN (FAROE ISLANDS) / 8 May

We'll visit one of the smallest capitals in the world right at the heart of the Faroe Islands, Tórshavn, a brand new world cruise destination. # CONTROTEMPO AND SILVER DAWN

An exceptional flagship for an exceptional world cruise

Our 2025 World Cruise, *Controtempo*, will be the very first world cruise onboard our magnificent flagship, *Silver Dawn*.

A new world of luxury, she has a thoroughly modern design that brings together classic elements, a timeless feel and a larger variety of spaces, suites, and venues.

As we'll be sailing for 136 days on *Controtempo*, you'll have all the time in the world to appreciate *Silver Dawn*'s all-inclusive all-suite lifestyle, with a wider choice of accommodation, and more space in your suite and all around the ship. Large enough for eight separate dining venues – including those that make up our Sea And Land Taste culinary program – she's intimate enough to feature our legendary onboard ambience and personalised service.

All this choice and variety enables a broader and richer onboard experience, perfectly suited to *Controtempo*, a world cruise that sails to a wealth of incredible destinations and features a large variety of regions, cultures and experiences.

Welcome onboard.

# A WORLD OF GOURMET OPTIONS

Silver Dawn's eight gourmet dining venues feature a kaleidoscope of cuisines, from Japanese to French to Italian and more. With a wider choice of options than ever before, you'll always have a great experience, whether you're looking for some elegant fine dining or something a little less formal. Bon appétit!

# TIME TO TAKE A BREAK

Taking time out is an important part of our *Controtempo* world cruise. Sit back, relax, and enjoy a sip of your favourite cocktail – mixed exactly how you like it by our baristas, without even having to ask them – in one of *Silver Dawn*'s many venues, from Connoisseur's Corner to Dolce Vita to Arts Café and more.

# WELCOME TO OTIVM

Onboard *Silver Dawn*, you'll be pampered by our brand new indulgent wellness programme, Otium, available for the first time on a World Cruise. A celebration of our Mediterranean heritage, it was inspired by the baths of ancient Rome, places of leisure to relax, socialise, bathe, eat, drink and enjoy life. From treatments in our new Otium spa to indulgent experiences right in your suite, you may find yourself wanting to stay at sea just a little bit longer.

# SEA AND LAND TASTE

Discover a world of flavour onboard and onshore

On *Controtempo*, *Silver Dawn* features our unique culinary programme, S.A.L.T., where you'll take the time for an in-depth exploration of trendy and timeless gourmet treasures throughout our voyage. This includes a deep dive into "the fifth taste", *umami*, in Japan, and a look at how the art of fermentation has influenced traditional and New Nordic cuisine across all of Scandinavia throughout history.

You'll be able to enjoy S.A.L.T. at a number venues, including S.A.L.T. Kitchen, our dedicated dining venue that brings the flavours of the world to your table, S.A.L.T. Bar, where you'll taste regionally inspired cocktails made with locally sourced quality beverages and ingredients, and prepared by master mixologists, and S.A.L.T. Lab, an interactive venue where you can recreate all the fantastic dishes you encounter on shore.
